

Pass Your Message is a new **FREE** weekly newsletter aimed at light aircraft, microlight, rotary and glider pilots in the United Kingdom.

We check the web and aim to keep you informed of things which affect our hobby such as:

- Changes to the law
- Changes to airfield facilities, frequencies...
- New charts availability
- Weather services
- Last minute changes to fly ins
- NOTAM's of particular relevance
- Safety critical information from aircraft manufacturers

Our aim is to keep everyone safe and in the air!!
